

Broomfield Nonprofit Organizations – January 2020

The list below is a sampling of some of the nonprofit organizations in and around Broomfield that have directly served Broomfield residents.

Before nominating any organization, please be sure that the recipient organization has the ability to designate this gift to specifically serve the Broomfield community. We suggest contacting the organization directly to learn more about how they serve Broomfield residents and if they have the ability to track clients served so the donated funds from 100 Women Who Care are specifically earmarked for Broomfield residents.
